A “Wayzgoose” is a traditional celebration of printers going back to the 16th Century. On Saturday August 7th, The International Printing Museum will continue this age old event with **The Letterpress Wayzgoose & Surplus Sale**. The sale and activities will be ongoing from 9 am to 4 pm. The event takes place at The International Printing Museum at 315 W Torrance Blvd, Carson, CA 90745 and tickets cost \$10.

### **Surplus Sale**

The Printing Museum’s annual surplus sale is a rare opportunity for hobbyists, amateurs, and professionals to purchase antique printing presses and supplies, such as Vandercooks, C & P Platens, Windmills, Pocos, Kelseys, Wood Type, Metal Type, Cuts, Printing Supplies, Oak & Metal Type Cabinets, Pilot Presses, Paper Cutters, and lots more.

### **Live Demonstrations and Activities**

On-going activities include a Letterpress Slam using wood type and images from the Museum’s collection, Linotype and Ludlow typesetting, foil stamping, and screen printing souvenir t-shirts.

### **“Exquisite Corpse” Exhibition Opening**

The Los Angeles Printmaking Society will be holding the opening reception to their member exhibition “Exquisite Corpse” being displayed at the Printing Museum through September. Exquisite corpse is a method by which a collection of words or images is collectively assembled. Each collaborator adds to a composition in sequence, either by following a rule or by being allowed to see only the end of what the previous person contributed. Each artist is invited to create a part or a complete figure, that will be divided up in 3 15 inch square sections: head, midsection and legs. The curators of the exhibition will then mix and match the different pieces.
